VIRTUAL ASSISTANT &
SOCIAL MEDIA MARKETER

ABOUT ME

Hello, I'm Wengelawit Yohannes — a third-year university student studying Nutrition and Marketing Management. Alongside my academic journey, I've built professional experience as a Virtual Assistant and Social Media Manager, working with creative entrepreneur. I specialize in content planning, admin support, customer service and building smooth digital systems that help others grow online. I'm passionate about combining structure with creativity — whether that's managing inboxes or designing content that connects. I'm also a fast learner, deeply organized, and love being part of purpose-driven work.
